

Catalog Number: **EH-40**

Baci At Home

The mirror rotates in either direction to present a 5X mirror on the front and a plain mirror on the back

When the mirror is folded against the wall the center of the glass will be 6 3/8" above and 7/8" offset from the center of the outlet box.

Installation

- 1) Remove the 2 screws #1 and the back plate #2
- 2) Fasten the back plate to the outlet box
- 3) Connect the wires from the mirror to the wires in the outlet box - Green to Ground, White to Neutral, and Black to Line
- 4) Slide the canopy over the back plate and fasten it with the screws from step #1
