D071-D077	3.5" Decorative Strainer/Stopper Disposal Flange

INSTALLATION

Use the actual sink for templating. Cuts in countertop are up to the discretion of the installer. Clips or other installation method must be provided by the fabricator/installer. Use a silicone adhesive to adhere sink to countertop. Clean any excess silicone from sink surface to avoid damaging the finish.

We recommend a licensed professional if you are unfamiliar with installing kitchen fixtures and plumbing. Linkasink accepts no liability for any damage to the floor, walls, plumbing, or personal injury during installation.

CARE

Use mild soap and water for everyday cleaning. Avoid any harsh abrasives or acidic cleaning products. Do not use stainless steel cleaners on this sink as it can erode the grout.

WARRANTY

Linkasink warrants our product to be free from manufacturing defect for the life of the product. Warranty does not cover improper care, neglect, abuse, or normal wear-and-tear.

DIMENSIONS WILL VARY

DO NOT use this sheet as a guide for countertop cuts. Due to the handmade nature of each product, templates are not provided.
